# STEGANOGRAPHY

## INSTRUCTIONS

In order to begin clone the repository:

[git@github.com:nathansabourdy/CTF-STEGANOGRAPHY-MLH-2023.git](https://github.com/nathansabourdy/CTF-STEGANOGRAPHY-MLH-2023.git)

The goal of this CTF is easy, you have 7 different step to do. Each step hides a password, if you want to test it, to see if it's correct you have an executable where you can try it.

The password should always begin with "MLH{EPITECH" and end with "}", except for the final step.

This CTF duration is 1 hour 30 minutes, the first one who get all the flags win a prize at the confectionery machine of EPITECH MULHOUSE

ENJOY !
